IMPORTANT TRANSPORTATION NOTE You will be given a sedative to help you relax; therefore you cannot drive a vehicle for the remainder of the day. All patients must be accompanied by a responsible adult, who can drive him/her home after the exam. Patients may only ride home in a taxi, medvan or bus if accompanied by a responsible adult. A taxi/medvan driver does NOT meet the requirements for a person to accompany you home after the exam. Failure to have a driver will result in the test not being performed and cancelled even though you have taken the colon area. There	
will be no exceptions to this rule.
